STUPENDOUS PLAY TO BE GIVEN HERE

Wallace's "Ben Hur" Will Be Staged at the Robinson Grand.

Preparations on a scale of massive, completely eclipsing everything in connection with the staging of a play in Clarksburg were arranged last evening for the presentation of Klaw and Erlanger's stupendous international spectacular production of Lew Wallace's "Ben Hur" at the Robinson Grand November 2, 4 and 5, when in addition to three night performances, a matinee will be given on Wednesday afternoon, November 3.

The staging of "Ben Hur" in Clarksburg is an event that the best patrons of amusements as well as leaders in religious and educational work have long looked forward to. The tremendous success of this play in the larger cities of the country coupled with the fact that there has never been but one company in existence interpreting the work, has made it a difficult task for Klaw and Erlanger to arrange the tour each season. All sections of the country demand the play. Now that this city has at last been favored, there is no doubt that the event will make history in the records of Clarksburg.

"Ben Hur" will attract people in great numbers from the surrounding territory. Manager Robinson is arranging a campaign of publicity that would credit to P. T. Barnum, if he were alive today. He has contracted to advertise the play in every town, village and hamlet within a radius of 100 miles. His slogan is "All roads lead to Clarksburg." Mr. Robinson's idea is to have representative firms of the city co-operate in making November 3, 4 and 5 holiday days in town for out of town visitors. By arranging and advertising special feature sales as an extra incentive for visitors, many will be attracted here. "Ben Hur" is a powerful magnet in drawing people to a city where it is being enacted. This has been demonstrated wherever it has been staged. Therefore a joint publicity campaign between the merchants and Mr. Robinson is bound to prove profitable to all concerned.

Desirous to familiarize Telegram readers just how the big production will be handled on the local stage,

Mr. E. G. Cooke, general agent for Klaw and Erlanger, who is in this city superintending the preliminaries attendant to the staging, was asked to make a statement for publication. Mr. Cooke said:

"To present 'Ben Hur' at the Robinson Grand stage, numerous alterations will have to be made. The width between the fly floors must be increased for the drop scenes. The carrying capacity of the rigging loft double-decked to take care of the immense quantity of scenic paraphernalia, and the paint bridge attached to the rear wall taken out entirely, thus adding ten extra feet of working space. This completed, a sub-stage will be constructed directly under the present stage, which will be cut into a series of sliding traps. This arrangement furnishes a solid foundation for the light horses and heavy treadmills employed in the thrilling chariot race scene, the pinnacle of twentieth century stagecraft.

"To the person not familiar with stage details this work might appear difficult. It is not, however. The same difficulty has been encountered in every theater in this country. The mere mention of these facts will convince patrons that a presentation of the Wallace play will be given that will satisfy the most exacting.

"Ben Hur" is the biggest organization that has ever been sent out on tour in the annals of the American amusement world. The traveling company numbers about 200 people. This includes an orchestra of twenty instrumentalists, and of whom have been identified with grand opera performances at the Metropolitan Opera House. The 'Ben Hur' score, written by Edgar William Keyser, formerly professor of music at Yale University, is very impressive, and has lent a dignity and solemnity to the spectacle that has added much towards its success. Mr. Gustav Blumh, many years director of Italian grand opera at the Metropolitan, personally conducts each performance.

"To transfer the scenic, mechanical and costume equipment from one city to another, eight sixty-foot baggage cars are required, while two arms palace stock cars are necessary for the horses and camels used in this spectacle."

High Power Rifles

No other repeating rifles made have the tremendous shocking power of the Winchester .33, .35, .40 and .405 calibers. The cartridges they shoot have heavy mushrooming bullets, making them exceedingly deadly for the biggest game. Winchester Guns and Winchester Cartridges are made for each other and are indispensable for successful big-game hunting.

YOU CAN RELY ON THE W BRAND

Gregory's Band

Gregory's Band will be at the Rink Thursday afternoon and evening. The management of the Rink has turned the Rink over to them for the day and all who attend either the afternoon or evening session will have a chance to help along this splendid organization. Both afternoon and evening session will be a "benefit" session for the band.

The Quickest, Simplest Cough Remedy

Easily and Cheaply Made at Home. Saves You \$2.

This plan makes a pint of cough syrup—enough to last a family a long time. You couldn't buy as much, or as good cough syrup for \$2.50. Simple as it is, it gives almost instant relief and usually conquers an ordinary cough in 24 hours. This is partly due to the fact that it is slightly laxative, stimulates the appetite and has an excellent tonic effect. It is pleasant to take—children like it. An excellent remedy, too, for whooping cough, spasmodic croup and bronchial asthma.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

Pine is one of the oldest and best known remedial agents for the throat membranes. Pinex is a most valuable concentrated compound of Norway white pine extract, and is rich in quinine and other natural healing elements. Other preparations will not work in this combination.

The prompt results from this mixture have endeared it to thousands of housewives in the United States and Canada, which explains why the plan has been imitated often, but never successfully.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

The News of Weston

WESTON, Oct. 14.—Fred Reger, a former Weston boy, who was recently injured by a fellow hunter who discharged a load of shot into his body, thinking he was a squirrel, has recently recovered as to have arrived here from his present home at Berryburg, Barbour county, Sunday with his family for a brief visit to relatives. Misses Susan and Vera Fisher, daughters of J. B. Fisher, of Clarksburg, are visiting friends at Berlin.

WESTON ST. PATRICK'S CATHOLIC CHURCH

Senator Goff's appearance here Saturday aroused both sides to the contest for Congress. Republicans were inspired to greater hope and activity, and Democrats went to work with the Progressives and took the lead in trying to work up a counter demonstration. They constituted the larger part of a meeting Saturday night which was addressed by Mr. Colby.

Miss Margaret Mulcahy went to Clarksburg Sunday to attend the funeral of her uncle Jessie Myers, a coal

miner, who died here last week. Such a crowd and this is all the more remarkable when it is known that the meeting was only advertised three days.

Stuart F. Reed and Fred O. Bine were prominent Republicans at the big Republican rally here Saturday. J. W. Tracy, of Clarksburg, was a prominent visitor to this city recently.

Attorneys C. M. Bennett and L. H. Barnett and C. H. Miles, of Glenview, motored to this city Sunday.

Many of the trolley cars were filled to their capacity Sunday hauling the large crowds to and from this city.

passing on railroad property, where there is constant danger of injury.

The general safety committee of the Baltimore and Ohio-Cincinnati, Hamilton and Dayton system has addressed communications to the local safety committee chairmen, asking that they secure the co-operation of the clergymen in their respective territories. In the churches at division headquarters and other terminals where there are large numbers of railroad employees, the "Safety First" will be discussed from the pulpits and in some of the places of worship the emblem of the railroad company will be used in decoration schemes. Reports received state that several pastors have conferred with the railroad officials and employees, securing data which will be used in their sermons.

Arthur J. Thompson, of Charleston, who holds a responsible position in the state department of archives and history, is here to visit relatives a few days.

CLERGYMEN

To Co-operate in Observance of "Safety First" Sunday.

BALTIMORE, Md., Oct. 14.—The railroad companies that have "Safety First" departments have started a movement which has resulted in Sunday, October 26, being designated as "Safety First" Sunday. Clergymen of all denominations have entered into the plan with zeal and many of them have agreed to preach sermons on the "Safety First" text and calling attention of their congregations to the practices which have been adopted looking to the conservation of the lives and limbs of patrons of the railroad companies and their employees and urging the general public to refrain from trans-

Weak Lungs Often Lead to Serious Illness

If you have weak lungs, you are generally subject to colds, or throat trouble and easily susceptible to serious Lung Trouble. In many cases pneumonia or bronchitis troubles leave the lungs in a much weakened condition. Eckman's Alternative is a medicine for the throat and lungs which has been found to be very beneficial, even when a change of climate and other treatments failed to bring relief.

Read of this case: 231 S. Atlantic Ave., Haddonfield, N. J. "Gentlemen: In the fall of 1905 I contracted a very severe cold which settled on my lungs. At last I began to raise sputum, and my physician then told me I must go to California immediately. At this time I was advised to take Eckman's Alternative. I stayed at home and commenced taking it the last week in October. I began to improve, and the first week in January, 1906, I resumed my regular occupation, having gained 25 pounds, fully restored to health. It is now several years since my recovery has been effected, and I cannot praise Eckman's Alternative too highly. (Signed) W. M. TATEL. (Above abbreviated; more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stubborn Colds and in unbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa. for evidence. For sale by all leading druggists.

NEAR DEATH BY SMOTHERING

Bat Husband, Aid of Cardui, Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years with pains in my left side, and would often almost smother to death."

Medicines patched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought a bottle and I began using it. It did me more good than all the medicines I had taken.

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all womanly troubles."

For over 50 years, Cardui has been relieving woman's sufferings and building weak women up to health and strength.

If you are a woman, give it a fair trial. It should surely help you, as it has a million others.

Get a bottle of Cardui to-day.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions on your case and 64-page book, "Home Treatment for Women's Diseases." No. 126

BLAND'S DRUG STORE

Chronic Dyspepsia.
The following unsolicited testimonial should certainly be sufficient to give hope and courage to persons afflicted with chronic dyspepsia: "I have been a chronic dyspeptic for years, and of all the medicines I have taken, Chamberlain's Tablets have done me more good than anything else," says W. G. Mattison, No. 7 Sherman St., Hornellsville, N. Y. For sale by all dealers.—Advertisement.
